VINA Community Dental Center–Basic Dental Care & Preventative

Work Skills Corporation– Employment Services for persons with disabilities
### Thriving Families

Empowering families with resources that allow them to support themselves.

- **26% of Households** in our community are working, but struggling to afford basic expenses; another 5.9% live in poverty.
- **845 Families** were supported to maintain housing stability through rent & utility assistance, enabling parents and kids to focus on jobs and school.
- **84 Households** avoided eviction by taking advantage of legal help and support provided by the Homeless Continuum of Care.
- **1,295 Calls & Web Searches** were made to the 2-1-1 hotline, connecting people across the county with services.

**$201,040**

128 Families accessed "MY FREE TAXES," in tax refunds & credits through improving their financial stability.

### Successful Youth

Assuring that all children have access to good education, food, fitness and overall health.

- **130 Homeless Students** were able to participate in sports programs, field trips, graduation, tutoring, and other activities.
- **2,839 Teens** learned about healthy relationships through programming offered at middle and high schools.
- **1,369 Families** received parenting education, creating a better life for thousands of young children.
- **2,839 Teens** and **130 Homeless Students** who received parenting education, creating a better life for thousands of young children.
- **4,500+ Families** of middle and high school students received Youth Connections Magazine, promoting the 40 youth developmental assets.
- **184 Children** have mentors or reading buddies helping them to grow their love for learning.
- **29 Professionals** trained and certified in early childhood education.

### Calls & Web Searches

- **1,295 Calls & Web Searches** were made to the 2-1-1 hotline, connecting people across the county with services.

### Accessed

- **128 Families** accessed "MY FREE TAXES," in tax refunds & credits through improving their financial stability.

Women United Livingston County officially launched on June 6, 2019.

To get involved and learn more call 810-494-3000 or visit www.lcunitedway.org/women-united/

Women United of Livingston County Supports:
- Learning environments that align with the Essential Practices in Early and Elementary Literacy.
- Building awareness of the importance of reading.
- “Talking is Teaching” Community Campaign.
- Other local programs and initiatives which are deemed appropriate for Women United’s “Growing Great Kids” focus.

Initial Goal:
- Over the next 5 years Women leaders in Livingston County will help to measurably increase 3rd grade reading proficiency.

$31,634 raised to support early childhood literacy.

200+ MEMBERS have joined us in the mission of Growing Great Kids in Livingston County.

1,295 people were connected to the resources they needed in Livingston County.

14 VOLUNTEERS reading in local preschool classrooms each month.

500+ NEW BOOKS collected and distributed in Livingston County.

1,201 VOLUNTEERS
40 COLLECTED PERSONAL CARE BOXES
110 PROJECTS
$2,000 IN DONATIONS
2,215 LBS OF FOOD

Without a doubt, the workplace campaign is the most high-profile United Way fundraising activity, representing a significant portion of the funds we gather to invest in improving community conditions. Workplace giving is an easy and effective way to help employees make a difference and show them that your company is actively supporting Livingston County’s most important issues.
